Dear Felix,

Well, this is my second week in Morocco. It's really a wonderful country. Last week, I was in a city they call «the pearl of the south». Everything **there** was fantastic except the the weather which was extremely hot. People in Marrakesh were very friendly but the hotels were expensive. Now, I'm visiting another city in the south of the country. There are ten of us on a bus. We are about twelve kilometres away from the town centre. We are really having a good time. We are taking a lot of photos of the city landscapes, mountains and blue beaches. Next week, I'm flying to the north part of the country.

How about your trip in Egypt? Tell me about it in your next letter.

Bye.

Ann.
