Dear Maria,

At last ! Hooray ! We have finished all our exams. The last one was yesterday. It was History. It was horrible. I think History is really difficult because I can't remember all the facts and the dates.

So this is the end of Year 10, my fourth year at secondary school. I did seven subjects. The worst were Science and History. I found them very difficult. I have already forgotten most of the things we learned.

The best subject this year was Geography, but we only had it twice a week. Our Geography teacher, Mr Gilmore, is great. We did some projects with him about different countries. I'd like to be a pilot, then I could travel and see all those places.

We aren't going abroad this summer because two months ago my dad lost his job. So he hasn't got much money, and we can't afford a big holiday. We're going to wales in the middle of August, to see my grandad. Would you like to come with us ? Mum says it's OK.

Please write and tell me about your year at school. What was it like ? Were your exams easy ?

Bye for now,
Peter
