Class :**① - Keep young....Beautiful....Vital**

When you have been under tension through overwork...through worry...through the pressure of family life...it shows. Your step loses its spring, your body loses its energy...your eyes their sparkle.

But a stay in Champneys can change all that.

② - You'll look a new person

Here, at Champneys, you not only experience the most wonderfully restful holiday you have ever enjoyed, you are given that priceless extra¹ bounty of mental refreshment, good health and well-being...and because beauty is more than skin deep, your looks being your health, your sense of youthful vitality, all come back...renewed.

③ - Achieve new fitness...New zest...new drive...in the most relaxing atmosphere imaginable.

Your stay at Champneys provides you with the physical and mental renewal you need to keep you in confident control of the busy life you lead.

If a long luxurious rest is what you want most, then, **here**, you can rest to your heart's content...in the most glorious and welcoming surroundings.

If it is an intensive, controlled programme of exercise your body needs, the gymnasium health resort is expecting you...And you are expertly supervised through every health and body energising stage. But Champneys is not just physical. It caters for the needs of the mind, too.

There are lectures and workshops on a variety of subjects including Yoga, self-hypnotherapy relaxation and carefully structured stress workshops.

④ - You feel at home immediately and meet new people

Come on your own or come with others. At Champneys, there is a very special house party atmosphere. You feel at home at once. On arrival at this sumptuous² mansion you are greeted warmly by our staff. In winter, relax around the blazing fire...in the summer gather at the swimming pool or walk in the glorious countryside. You are happily at ease with the company of people who have come to Champneys for much the same reason as yourself.
